Re: *Ex Parte* Notice: *Terrestrial Use of the 2473-2495 MHz Band for Low-Power Mobile Broadband Networks* – IB Docket No. 13-213

Dear Ms. Dortch:

On July 9, 2015, on behalf of Globalstar, Inc., I spoke by telephone with Ruth Milkman, Chief of Staff to Chairman Tom Wheeler, regarding the above-captioned proceeding. We discussed the process by which the current proceeding could enable the Commission to stimulate investment into new spectrum-based services and competition, based on sound engineering and compatible with existing services.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this *ex parte* notification is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Respectfully submitted,

/s/ Blair Levin
